

M O I N

DEAR STUDENTS,

It's nice to have you ...

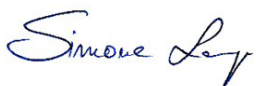

... in Flensburg, a maritime city in the German-Danish border region, or as we say: zwischen Himmel und Förde! (between the sky and the firth).

I'm sure you're going to fall in love with our cosmopolitan, tolerant and diverse city. Nearly 100,000 people from over 150 nations live colourfully and complimentary in Flensburg. This diversity can also be found in our cultural and free time activities: during a pub crawl through the historic merchant's yards, while clubbing on the rooftops of the city centre with fantastic views across the harbour by night, enjoying a fish sandwich and Flens (beer) while listening to the tingling of the sailboat masts or revising for your next exam while having a BBQ on the beach – obviously, thanks to the pandemic, lots of these things will have to be postponed, but not cancelled.

So: expect to really enjoy your time here, learning and discovering lots of exciting things!

We have a welcome pack with lots of vouchers and pointers to help our new Flensburgers. You will be given it when you officially register your new address with us. Simply come to the citizen's office in the town hall.

I wish you a wonderful start in Flensburg!
Best wishes!
